Vision & Mission

Vision: Empower millions of home chefs to build sustainable businesses while making healthy, affordable home-cooked meals accessible to everyone.

Mission:

- Empower homemakers
- Build India's largest home-chef marketplace
- Make healthy food affordable
- Create sustainable local businesses

The Problem

Customers

- Restaurant food is expensive
- Daily outside food is unhealthy
- PG students and working professionals miss home food
- Tiffin services are fragmented and unorganized

Home Chefs

- No digital presence
- No customer acquisition
- No delivery network
- No payment infrastructure
- Limited earning opportunities
